Continued:

tidy bathroom, and a double bedroom. The shedding provides an excellent space to work from home, or could be an ideal 'man cave'. Other shedding includes a single stable and covered tractor shed. The lovely main home is entered through double entrance doors, where your eyes are drawn to a wide and elegant staircase leading to the first floor. Here you are greeted by a large modern kitchen complete with butler pantry, double wall oven, plumbed fridge, induction hob and granite bench top. The upstairs living area is open plan, with a separate media room. A lovely balcony opens from the dining area, with schist pillars and glass balustrade, providing the perfect spot for alfresco dining and entertaining. The two double bedrooms on this floor share a generous bathroom, with master bedroom also featuring a walk-in-robe and stunning rural views. Downstairs you will find three double bedrooms, a spacious tiled family bathroom, powder room, guest kitchenette with making it an ideal option to give teenagers their own space, or (as it downstairs is a laundry, ample storage and internally accessed double space and tranquility.
