Gordonton 796 Piako Road

Pristine and productive

Pristine and productive is how one would describe this 100 hectare (more or less) dairy unit between Hamilton and Morrinsville.

The all flat contour, well laid out infrastructure and nice array of specimen trees lining many of the paddocks make for a very picturesque setting.

Piako Road has long been considered as a premium address for dairy land in the Waikato because of its very convenient location, quality (Continued overleaf ...)
